## **NOTICE OF UPCOMING CONSTRUCTION ON ELLERY STREET**

Dear Ellery Street Neighbors:

P. Gioioso & Sons will remobilize on Ellery St to begin surface restoration on Thursday, April 29. This work consists of new curbs, sidewalks, pedestrian ramps, and street pavement on Ellery St between Cambridge St and Broadway, and at Broadway and Trowbridge St.

### ***What is the schedule?***

The Ellery St work is proposed to start on Thursday, April 29 and will last approximately two months, weather permitting. The contractor will begin by excavating Ellery St between Cambridge St and the tennis courts. Once that is complete, crews will remove and reset existing curbs, and place new sidewalks, ramps, and driveway aprons. The final piece of work will be to grind and overlay the roadway. We will notify the community as construction progresses and changes.

Please note that this schedule is proposed and may change as construction issues present themselves.

### ***What impacts will construction have on the neighborhood?***

- *During work hours, 7AM to 4 PM, residents and CRLS personnel may have to access their property from Broadway during certain phases of the work. A police detail will be posted on Ellery St at Cambridge St and at Broadway, and will allow residents and school personnel to access the street.*
- *Traffic and Parking: The contractor will have to occupy parking spaces and put periodic detours in place. They will provide abutters access to their properties at all times.*
- *Municipal and other services: Mail delivery, trash and recycling collection, and access for people with disabilities will continue throughout construction.*
- *Emergency vehicles will have access at all times.*

### ***How can I get information and assistance during construction?***

Lou Mothon, Project Manager, will be on site to assist neighbors throughout construction. His telephone number is 617-349-4828. You can also contact Kelly Dunn, Community Relations Manager, at 617-349-4870 or [kdunn@cambridgema.gov](mailto:kdunn@cambridgema.gov) if you have a *disability* or *special need* that requires an accommodation during construction.

A project website is posted at <http://www.cambridgema.gov/TheWorks/contents/constInfo.html>.

We apologize for any inconvenience you may experience and thank you for your patience.

Sincerely,

Kelly Dunn  
Community Relations Manager  
Cambridge Department of Public Works
